ATTENTIVE PERSONAL SERVICE

At Hotel Koldingfjord, when we say that we provide Attentive Personal Service, we really mean it!

We believe that Attentive Personal Service must come from inside and be served with the heart. Therefore, we work on a daily basis to ensure that as a guest at Hotel Koldingfjord you will find that we provide out of the ordinary experiences. Experiences that are adapted to each individual guest's requirements and needs.

We also work with Attentive Personal Service in relation to each other as colleagues in our daily work at Hotel Koldingfjord. We know that through optimal cooperation between good colleagues, we can provide the best experiences for our guests.

In the daily work with development and maintenance of the almost 100-year old buildings, our focus is

always on ensuring that the frameworks give the possibility of providing the best service for our many guests. Hotel Koldingfjord's unique location is easy to get to, but difficult to leave.

In the close dialogue with our many guests from near and far, it is essential to us to ensure that Attentive Personal Service is provided. This means that, as a planner, you can safely let Hotel Koldingfjord form the setting for your next event.

A strong team stands behind the words, Attentive Personal Service, and my colleagues and I look forward to welcoming you and your guests.

Kind regards and see you soon,

Peder J. Madsen
