FOR A MEMORABLE MEAL

Restaurant Koldingfjord and our reception rooms, Holbøll I & II, are beautifully situated with a panoramic view of Kolding Fjord.

Both the restaurant and the reception rooms are decorated in beautiful tranquil colours that offer the perfect setting for any type of party or event.

Hotel Koldingfjord further bids you welcome to parties in the Magnolie and Bøge room, both of which have direct access to the main building. Both rooms have high ceilings and offer plenty of opportunities for the creative party organiser to unfold.

Party events are a speciality for us at Hotel Koldingfjord, so when you plan an event here, you can rest assured that even the smallest of details will be in the exact way you want them.

Our restaurant manager and the chef de cuisine are always at your service and will gladly help with you compile the perfect menu with the ideal wines for your event.
